_____ made a motion _____ seconded the motion

Passed: Yes _____ No _____

II. STUDENT HEARING: 5:00 P.M.

Confidential Student #2122-11

REGULAR MEETING: 6:30 P.M.

III. HIGHLIGHT:

The following students will be recognized as CAKE (Catching a Kid Excelling) for the month of December:

Augusta Elementary – **Camden Nicely** – Camden works hard each day completing the activities, stations and tasks that are assigned to him in the classroom. He is a good friend to each of his classmates and loves to help out! He has improved greatly to learn the letters of the alphabet, can recognize and count numbers 1-10 and has learned to write his name.

Capon Bridge Elementary – **Maya Lusby** – Maya works extremely diligently in all subject areas. Maya always volunteers, is helpful, and wants to succeed. She is a strong reader, writes well and excels in math. Maya always abides by school rules and she is a role model for other second grade students. Maya is truly a pleasure to have in class.

John J. Cornwell Elementary: **Savannah Dent-Wieciech** - Savannah is very helpful in the classroom. She does well with her writing and reading. Her essays are improving and is able to take feedback and apply it to her work. Savannah does very well with reading aloud and answering questions that relates to the readings. She is a great student and a joy to have in the classroom.

Slanesville Elementary – **Daniel Crouse** – Daniel extends kindness to everyone. He asks for help if he doesn't understand something. By doing this, he makes sure that he knows how to do the task first, so that if someone needs help, he can explain it to them. Even if no one else follows him, he continues to do the right thing in spite of the crowd. You can count on his honesty about getting assignments done. Daniel is an asset to any group he is a part of!

Springfield-Green Spring Elementary – **Loralei Bergendahl** – Loralei shows great leadership characteristics. In a classroom election, she was voted as class president based upon her presidential candidate speech. After hearing her speech, however, I realize that my goal this year is to change her opinion of Social Studies. She is a great example to others and works hard every day.

Capon Bridge Middle –

6th Grade – **Julia Ann Goad** – Julia is a 6th grade student. She sparkles in the classroom and the floor. She is an enthusiastic cheerleader for the Bobcats.

7th Grade – **Haleigh Holiday** – Haleigh is a great student and athlete. When she takes court, you know she is there. She applies herself to her studies and extracurricular activities. She is very involved in 4-H as a teen leader.

8th Grade – **Christian Hoffa** – Christian is a student who has amazing musical talent. He created a “song” on the computer that was captivating. He is kind and helpful to classmates who don't understand the concepts. He also helps with after-school tutoring.

Romney Middle –

6th Grade – **Mason Chenoweth** – Mason is polite, hardworking, conscientious and a good role model. He turns in his assignments in a timely manner.

7th Grade – **Summer Shrout** – Summer is a wonderful student and role model for her peers. She was eager to help other 7th grade students who were new by showing them to their classes, helped them get set up on their computers and explained to them what they needed to do for each class.

8th Grade – **Alessa Unruh** – Alessa is very polite, helpful, kind and works well with others. She is very conscientious about her grades and her work.

Hampshire High -

IV. APPEARANCE(S):

Please note: "Speakers are asked to express themselves in a civil manner, with due respect for the dignity and privacy of others who may be affected by your comments. While it is not our intent to stifle public comment, speakers should be aware that if your statements violate the rights of others under the law of defamation or invasion of privacy, you may be held legally responsible. If you are unsure of the legal ramifications of what you are about to say, we urge you to consult first with your legal advisor."

Reminder: A five-minute limitation is set for appearances
