She has made tremendous progress, meeting and exceeding all of her goals for the year. She works well with school staff and has made friends easily. She is respectful, positive, and a perfect example of a model Romney Elementary Student! We hate to see her leave us to go to the middle school but we know they will love her as much as we do. We are looking forward to seeing her grow and make us proud.

Slanesville Elementary – Landen Stotler – Landen is a good listener. He is kind to his classmates and helps them when needed. He works really hard on all that we do in class. Academically he has excelled and matured so much this year.
