SAT School Day Test

Dear Hampshire High School Parent,

This year will be West Virginia's second year providing the SAT School Day test as our annual state assessment for all grade 11 students. This year's test date will be Wednesday, March 27th, 2019 with a make-up date of Tuesday, April 9th, 2019.

The administration of the SAT has very strict guidelines for the amount of space per each testing student and the amount of staff required to administer the assessment to provide the appropriate environment for the students testing. These requirements are extensive enough that we are unable to run our regular class schedule for non-testing students on the same day as the assessment. Therefore, we are providing several options for freshman, sophomores and seniors on Wednesday, March 27th, 2019:

1. **ATTEND SCHOOL AS USUAL** – students attending school on this day will have a modified schedule which may include, but will not be limited to the following activities: Guest speakers, Curricular activities and projects, Life skill activities and seminars
2. **COLLEGE VISITS OR OTHER CAREER-ORIENTED POST-SECONDARY EDUCATIONAL CENTERS***
3. **JOB-SHADOWING ACTIVITY***
4. **PARTICIPATION IN A COMMUNITY SERVICE PROJECT***
5. **CURRICULAR TRIP PARTICIPATION** – some teachers may utilize this day to take trips related to their curriculum on this day. *These students will be informed by their teachers if this is occurring and if they are eligible.*

Please indicate your choice for your student below and return by Friday, March 1st, 2019 so we may plan accordingly. ***For those electing options 2-4 please submit documentation for the absence as usual for it to be excused. This documentation must be from the facility or organization and not from a parent.** For those electing to attend school as usual please return this form so we can plan our activities and meals accordingly.

Name: (Please Print) _____

Grade: _____

Choice: 1 2 3 4 5

Parent Signature: _____

Sincerely,
HHS Administration
