

PK

Hampshire County Schools 2019-2020 Snow Ice Packet (SIP)

Day 4

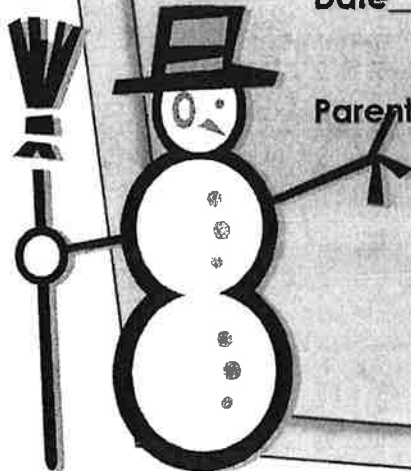

When inclement weather occurs each PreK-12 student is responsible to complete assignments on SIP Days as designated by the superintendent. The SIP Days will be counted as instructional days. To be "present" the student must submit the completed SIP work to the teacher on the next day school is in session. Failure to submit completed work constitutes an "absence".

Teachers are available at the schools to support students on SIP Days. Students will double-check their work and parents will sign below.

Preschool Snow Packet

English Language Arts:

I can answer questions about a story after it has been read to me.

I can verbally tell an adult about a picture that I have drawn.

1. Read a story to your child every day. Ask them “wh” questions such as “What happened in the story?” Why do you think it happened? Was there an animal in the story? What would you do if?
2. Give your child paper and crayons and let them draw. Then have them tell you about their picture in detail. Say, “Tell me about your picture”. Encourage them to give you a sentence.

Preschool: Snow Packet

Math:

Things to do at home:

Counting: I can count to 10 and beyond.

1. When walking up/down stairs count the steps.
2. When setting the table for meals have the student count to make sure there are enough plates/cups at the table.
3. During bath time count the toys in the tub.
4. If you are folding laundry have the student count the clothes.
5. Count the food at snack time if you have small pieces (pretzels, grapes, etc.)
6. Throw a nerf ball into a trash can or box and count the number of times that your child throws.

Tips for Parents:

- If your child counts incorrectly just count correctly for them instead of saying "no".
- If they are having difficulty, you count and have them repeat after you and only have them count to 3 or 5 to begin.
- Have fun, your child will learn the most when the activity is fun and they are playing with you!!
