General Information

Arrival and Departure

Arrival at school is usually determined by the bus schedule. Privately transported students should not report to school before 7:15 a.m. but should arrive by 7:45 a.m. Upon arrival to school, students are to report to the cafeteria, where they will be permitted to eat breakfast and then be dismissed to homeroom. Students are not to report to their lockers until they have been dismissed to homeroom. Students who arrive after 8:00 a.m. need to receive a tardy slip from the office before reporting to class. Students who ride first bell buses in the evenings will be dismissed at 3:20. Students must ride the bus to which they are assigned. **Students are not permitted to ride buses other than their own unless they have an alternate route scheduled with the transportation department. Parent pick-up time is 3:30.** Students should not be picked up early from class unless there is an emergency or scheduled medical appointment. Students riding home with someone other than a parent must have a signed note.

Electronic Devices, Cell Phones, Personal Property

The school is not responsible for any loss of personal property. Personal belongings should be clearly marked with the student's name. Students should only bring what is necessary for their classes to school.

Electronic devices such as cell phones, Ipods, MP3 players, cameras, game systems, games, etc. are not permitted in school. Students may not carry their cell phones in their pockets or on their person. All cell phones and electronics must be kept in lockers/backpacks and turned off during the school day. Such items may be confiscated and held in the office for a determined period of time to be released only to a parent. In certain circumstances (ie. during state assessment, after multiple offenses, etc.), confiscated phones may not be returned until the end of the school year.

Use of School Phone

The school phone is for business purposes. Students are not permitted to use cell phones or the school telephone without permission from a staff member. In the event of an emergency, the secretary will make a call for the student. Messages from parents are to be left with the secretary; they will be given to students as soon as possible. Students will not be called out of class to come to the phone.

Arrangements for students to go home by a different method or to a different place, as well as arrangements for staying after school for various programs and activities, should be made before students come to school. **Students must have a parent note specifically stating the change or they must go home as usual.** Office staff **CANNOT** accept permission over the phone from parents for a child to be picked up by someone other than those listed on the emergency procedure card. Office staff cannot write notes for a student to ride a different bus.

Emergency School Closings

In case of unusual weather conditions or other emergencies when it is necessary to close school, the official announcement will be posted on the Hampshire County Board of Education websites. A phone call may also be made using the School Messenger System. If the school closing should occur after student arrival, parents must have a place for their child to go for the remainder of the day. The alternative location should be on the child's regular bus route.

Services Provided

Supplies

Free textbooks, folders, and assignment planners are issued to all students and must be brought to each class daily. All students may be issued textbooks and/or a laptop to be used for their classes. Students are to use their own textbooks/ laptops and are responsible for the items that have been assigned to them. There will be a fine for lost and damaged books and computers. All students will receive one free color-coded folder for each of their subjects and one assignment book to be carried with them to each of their classes. These items are necessary for the students to organize their materials and assignments. If lost or damaged, the student must purchase an additional set. **The student assignment planner also serves as the student's hall pass for all classes, and students must have it with them at all times.**

Food Service

Nourishing hot breakfasts and lunches are available for students. At the beginning of the school year, each student will be issued a lunch number and may be finger-scanned for billing purposes. We operate as a universal free meal program. This fact may change according to the Nutrition policy. If this changes, you will be asked to complete an updated meal application.

Curricular and Extracurricular Programs

Capon Bridge Middle School offers a variety of activities and opportunities for its students. These include, but are not limited to: chorus, band, student council, science fairs, social studies fairs, spelling bees, Young Writer's Contests, Golden Horseshoe, Math Field Day, football, basketball, volleyball, cross country, cheerleading, track, and numerous other activities throughout the course of the school year. (WVSSAC rule states that all athletes must maintain a 2.0 semester average in order to participate.)

Information about all the activities at Capon Bridge Middle School is presented to students in a timely and complete manner. Parents may obtain information about these activities through the office and from the Capon Bridge Middle School website: **<http://boe.hamp.k12.wv.us>**

Guidance and Counseling

The guidance counselor is responsible for assisting students with course selections, testing, and individual problems that impede the learning process. Students are encouraged to become acquainted with the counselor, who will listen and assist with their concerns. The counselor also provides developmental guidance for all students. Throughout the course of the school year, developmental guidance lessons, presentations and activities will be conducted with students in an effort to teach them the life skills they will need as they grow and mature. Topics may include bullying, dating/peer relationships, drugs/alcohol, Internet /cyber safety, conflict resolution, academic success/study skills, multi-cultural awareness, and educational/career exploration. These topics will be delivered to students via classroom guidance lessons conducted by school counselors as well as teachers, special presenters, assemblies, videos, movies, Internet programs, field trips, and the county mandated advisory program. These lessons/activities are covered under the state's school counseling standards and are mandated each year. Some of the topics may be sensitive in nature; however, all topics/presentations/videos will be appropriate and have been approved by the school and/or county administration. Some of these activities MAY require special parent permissions/opt-out forms which will be sent home to parents with their child prior to the presentation/lesson/activity. However, not all topics and activities require this. If a

presentation is one where a parent may “opt-out” their child, the parent must be sure to send in the signed “opt-out” form. It is understood that during these presentation times, students who have been “opted out” will be given an alternate activity. Parents who wish to preview or learn more about any of these developmental guidance activities may contact their child’s school counselor at any time throughout the school year.

In addition to school guidance, additional counseling services may be available for students who qualify. Referrals can be made through the guidance office. Capon Bridge Middle is a community schools school. This means we have a social worker who works with the students. We also partner with E. A. Hawse and Ken Powers to provide services for therapy. If you are interested in any of the services, please contact Mrs. Downs at adowns@k12.wv.us

Student Health and Safety

Fire/ Crisis Drills

The safety of each and every student is the school’s foremost concern. Capon Bridge Middle School has a crisis response plan to address potential emergency situations that may arise in the school setting. For this reason, regular fire and crisis drills will be conducted. During a drill, the teacher will direct students with appropriate instructions. **No cell phones should be used during a fire or crisis drill.** Parents may view a redacted copy of the school’s crisis response plan at the county board office upon request.

Insurance and Physical Exam

There will be an opportunity for parents to ensure their child with group accident or individual protection plans. The school will not act as an agent in the insurance process. It is the parent’s responsibility to pay any costs due to injury during the school day. Students who participate in the interscholastic athletic program are required to have some form of accident insurance and a physical exam before they participate. Free physicals are provided for athletes by local physicians certain days during the summer. Dates will be published in the *Hampshire Review*.

Students should not contact their parents without nurse or administrator permission. All students leaving school for illness or injury must be signed out through the office. Students may not be released if a parent/guardian cannot be reached. Only those adults designated on the emergency procedure card will be allowed to pick the child up from school.

In the case of a serious emergency, continued effort will be made to contact the parent or guardian while emergency transport is arranged. Other emergency information on the emergency procedure card may be used if necessary.

Parents are encouraged to meet with teachers as the need arises. This conference must be scheduled and confirmed in advance by sending a message to the teacher or by contacting the office at 304-856-2534. This is a state mandated body that meets regularly throughout the school year. Questions, ideas, or concerns for the Council's consideration should be forwarded through the office.

Grading Procedures

Report cards are a means of communicating student progress between parents, teachers, and students. Grades are based on a scale of:

A=90-100 B=80-89 C=70-79 D=60-69 F=0-59

There are four grading periods throughout the school year. Midterm progress reports will be given to any student below a 'C' average in any subject. Report cards are given to students several days following the end of the grading period, and semester grades will be entered on the permanent record card. To enter the next grade level, each student must pass a minimum of four subjects, three of which must be English, Math, Science, or Social Studies. Students who perform below average work with unsatisfactory effort and poor attendance may be assigned mandatory tutoring and/or be retained the following school year.

Schoology is an online grading system that allows students and parents to track student progress throughout each 9 weeks. Teachers post student grades to Schoology weekly. All parents are encouraged to activate a Schoology account to keep track of their child's grades. Parents and students may obtain information about activating a Schoology account at the following site: <http://boe.hamp.k12.wv.us/> or by emailing your child's teacher.

Homework

Your son or daughter's experience at Capon Bridge Middle School is designed to enable him/her to master learning skills, develop a positive self-concept, and establish proper behaviors and attitudes

necessary for a successful school experience. Out-of-school study is a responsible part of this developmental process.

Homework will be given, in varying amounts, based on the age and ability of the students. **It is the responsibility of the student to complete and turn in all homework assignments on time. Assignments up to 3 days late may be accepted with reduced credit at teacher's discretion. After 3 days late, assignments will not be accepted for a grade.**

In order to assist students and enhance communication with parents, an assignment planner is required for each student. One planner will be provided free of charge at the beginning of the school year. Students need to record assignments daily in every class. Communications to parents from the teachers, or to the school by parents, should be included as needed. The planner also serves as the student's hall pass. All pages should remain in the book as a cumulative record, and students should treat this assignment planner as a textbook. It is the student's responsibility to replace the assignment planner if lost.

Make-Up Work if Absent

It is the responsibility of an absent student, upon returning to school, to ask teachers for make-up work. **Students will have three days to make up work for each day of school missed (up to 10 days total).** When a student is absent for more than three days, it is recommended that assignments and homework be obtained via Schoology or by emailing your child's teachers. Twenty-four hours are required to have requested assignments ready for parents. For any school-related activities for which a student will miss any given class, the student must make prior arrangements with the teacher concerning the missed work.

Use of Tobacco on School Premises

In order to protect students and staff who choose not to use tobacco from an environment noxious to them, and because the Board cannot, even by indirection, condone the use of tobacco, the Board prohibits the use of tobacco products in school buildings, on school grounds, and at any school-sponsored function. For the complete Board Policy, visit the Hampshire County Website and read *Policy 7434: Use of Tobacco on School Premises*.

Drug Free Schools Policy

Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action, up to and including expulsion from school. Hampshire County Schools will also notify law enforcement officials as appropriate.

The Hampshire County Schools is concerned about any student who is a victim of alcohol or drug abuse and will facilitate the process by which s/he receives help through programs and services available in the community. - Excuses must contain the following information:
 1. Student's full name
 2. Date(s) of absence
 3. Reason for absence
- Excused absences include:
 - a. Illness or injury requiring doctor verification
 - b. Medical/dental appointment, which cannot be scheduled outside of the school day, **VERIFIED BY A PHYSICIAN'S EXCUSE. A parent note stating that a student was at the doctor is not excused.**
 - c. Illness, verified by parents, not to exceed three consecutive or five total days per semester
 - d. School-approved curricular or extracurricular activities
 - e. Failure of the bus to run during extremely hazardous weather conditions
 - f. Observance of religious holidays
 - g. Family illness or death in the immediate family

*Partial Day Absences- Students arriving to school after 10:00 a.m. or leaving school anytime before 2:00 p.m. will be counted absent for half a day.

**** Any absence that is not accompanied by a note or does not meet the above criteria will be considered unexcused.**

Homeless Children and Youth

The McKinney-Vento program in Hampshire County is designed to address the problems that homeless children and youth have faced in enrolling, attending, and succeeding in school. Under this program we must ensure that each homeless child and youth has equal access to the same free, appropriate public education, including a public preschool education, as other children and youth.

What is meant by the term "homeless children and youth"?

The McKinney-Vento Act defines "homeless children and youth" as individuals who lack a fixed, regular, and adequate nighttime residence. The term includes children and youth who are:

- sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason (sometimes referred to as doubled-up);
 - living in motels, hotels, trailer parks, or camping grounds due to lack of alternative adequate accommodations;
 - living in emergency or transitional shelters;
 - abandoned in hospitals; or
 - awaiting foster care placement;
 - Children and youth who have a primary nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings;
 - Children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and
 - Migratory children who qualify as homeless because they are living in circumstances described above.
- Homeless children also include "unaccompanied youth". This term includes youth not in the physical custody of a parent or guardian. This would include youth living in runaway shelters, abandoned buildings, cars, on the streets, or in other inadequate housing.

If you believe your child/children live in one of these situations, please contact the school counselor or the Hampshire County Attendance Director.

Positive Behavior Interventions and Support Program

Positive Behavior Interventions and Support (PBIS) is designed to accentuate and support positive student behavior in the school setting. PBIS strives to teach students consistent school expectations, acknowledge when students act responsibly and appropriately, and provide meaningful interventions to support successful behavior. Students will be taught school-wide expectations at the beginning of the school year. Students who model appropriate behavior will be rewarded in various ways throughout the school year in an effort to reinforce positive conduct. Students who do not model appropriate behaviors will be re-taught school rules and expectations, may be assigned a mentor, may be referred for counseling, or may participate in other meaningful behavior or academic interventions. One targeted behavior focus includes completing class and homework assignments on time. Students who have fulfilled their academic responsibilities and have completed all assignments based on Schoology reports,

as well as have met other behavior criteria, will be eligible to attend reward events. **Students who have missing assignments and tests will be given additional support and time to complete their academic work during reward events. Some activities may be used as random re-enforcers, and some may be announced in advance.** Used consistently, the PBIS program should diminish inappropriate behaviors and reduce discipline referrals. PBIS goal behaviors and reward program will be taught to students at the beginning of the school year.

Safe and Supportive Schools

*A complete copy of Policy 4373: Safe and Supportive Schools can be obtained on the West Virginia Department of Education website.

Bullying Prevention

Capon Bridge Middle School strives to reduce bullying problems among students, prevent the development of new bullying problems, and achieve better peer relations at school. Students may participate in class meetings, assemblies, and other activities throughout the year as part of our bullying prevention effort. Parents are crucial partners in the success of this program.

Bullying Definition:

Repeated or severe acts intentionally meant to harm or humiliate another student. Bullying always involves an imbalance of power—the victim has a hard time defending himself/herself from the behavior. Bullying is different from typical disagreements or struggles that occur between friends or classmates such as peer conflict, horseplay, or fighting.

Our school's Anti-Bullying Rules:

- 1. We will not bully others.**
- 2. We will try to help students who are bullied.**
- 3. We will try to include students who are left out.**
- 4. If we know that somebody is being bullied, we will tell an adult at school and an adult at home.**

If students believe they are being bullied, they should complete a Bullying/Harassment Incident Form, which is available in the guidance office. The counselor or other staff can assist students or parents in completing the information on this form as needed. Bullying incidents will be investigated by the counselor and/or school administrators, and appropriate action will be taken concerning the incident.

Discipline/Consequences

School-wide discipline and respect for each other and for school property is essential for a successful academic environment. At Capon Bridge Middle School, students and staff have a right to be in an

Therefore, certain rules, regulations, and guidelines are in place to ensure a safe and orderly environment that is conducive to teaching and learning. Transportation Expectations

School rules also apply to school transportation, and school rules may be more restrictive. The following additional rules are in effect on buses, at bus stops, and transfers.

General Rules

Note: Riding on a school bus is a privilege and not a "right".

1. Ride the complete scheduled bus route unless a parent note is provided to the bus driver and signed by the school office.
2. Students are only permitted to ride their scheduled school bus, normally to and from their place of residence. Parents of students requesting an alternate bus schedule (such as in the case of a babysitter or shared custody) should contact the bus garage in advance so that an alternate schedule can be created. Note: Your child's school may require a parent note each time a student rides an alternate afternoon bus schedule.
3. Students can only load and unload at authorized bus stops. For example, drivers will not be able to drop students at "Grandma's house", unless Grandma's house is an approved stop on that route.
4. During an emergency or crisis situation, follow the driver's directions immediately.
5. Students must return completed enrollment/emergency information and discipline forms by the deadline identified by the driver. Students will not be permitted to resume riding the bus until the forms are provided to the driver.

Bus Stops and Transfers

6. Wait at least 10 feet from the edge of the road and stay away from traffic. Do not play in the roadway.
7. Wait to board the bus until the driver signals you to cross the road and watch for traffic. Do not wear music earphones while boarding or departing the bus or in transfer areas.
8. Be at the bus stop, ready to load 5-10 minutes before the bus arrives.
9. When unloading at a bus stop, wait for the driver to signal you to cross the road. Immediately move away from the bus area. Wait to check for mail until after the bus has left.
10. Private vehicles shall be parked and operated in such a manner as to not cause a safety or traffic hazard for the bus, students and traffic entering and leaving the area. Students riding in private vehicles whose driver's do not cooperate with Transportation Department directives may be excluded from school transportation.
11. Drivers of private vehicles shall cooperate with the bus operator's signal/ directions regarding when to drive from the bus stop area so as to not endanger students.
12. School rules regarding drugs, alcohol, tobacco and weapons are in effect at bus stops.
13. Do not approach a bus that is not your scheduled bus.

Use of the Internet is a privilege, not a right. The Board's Internet connection is provided for educational purposes only. Unauthorized and inappropriate use will result in a cancellation of this privilege.

The Board of Education has implemented technology protection measures which block/filter Internet access to visual displays that are obscene, child pornography or harmful to minors. The Board also monitors online activity of students in an effort to restrict access to child pornography and other material that is obscene, objectionable, inappropriate and/or harmful to minors. Nevertheless, parents/guardians are advised that determined users may be able to gain access to information, communication and/or services on the Internet which the Board has not authorized for educational purposes and/or which they and/or their parents/guardians may find inappropriate, offensive, objectionable or controversial. Parents/Guardians assume this risk by consenting to allow their students to participate in the use of the Internet. Student's accessing the Internet through the school's computers assume personal responsibility and liability, both civil and criminal, for unauthorized or inappropriate use of the Internet.

The Board has the right to monitor, review and inspect any directories, files and/or messages residing on or sent using the Board's computers/networks. Messages relating to or in support of illegal activities will be reported to the appropriate authorities.

Directory Information/ FERPA

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

School officials with legitimate educational interest;
Other schools to which a student is transferring;
Specified officials for audit or evaluation purposes;
Appropriate parties in connection with financial aid to a student;
Organizations conducting certain studies for or on behalf of the school;
Accrediting organizations;
To comply with a judicial order or lawfully issued subpoena;
Appropriate officials in cases of health and safety emergencies; and
State and local authorities, within a juvenile justice system, pursuant to specific state law.

Schools may disclose, without consent, "directory" information unless parents object in writing to the release of any or all of this information. **This objection must be filed within ten school days of the time this handbook was given to my child.** Directory information ordinarily includes the following:

- Student's name
- Address and telephone number
- Date and place of birth
- Participation in officially recognized activities and sports
- Photographs
- Dates of attendance
- Awards received in school
- Most recent previous school attended

In exercising my right to limit release of this information, I have marked through the items of directory information listed above that I wish the district to withhold about my child.
