II. CAKE Recognition

Augusta Elementary – Samara Lambert – Samara is an excellent student in many ways. She pays attention in class, she is the first student to volunteer to help others and she is a great friend to all students. We have been learning about how to show others empathy in our Capturing Kids Hearts program and Samara has taken these lessons to heart. If someone is upset she does all she can to empathize with them and let them know she is there for them. **Charlotte Nesselrodt – Charlotte** was chosen because she starts the day with a smile for everyone she meets. She has been “caught” doing the correct thing by several staff members, some examples are walking in the following hallway expectations, listening, restroom behavior, waiting quietly in the hallway, encouraging other students and is a friend to all peers. She works hard and takes pride in her work. She is an exceptional example of a kindergarten student and an Augusta Eagle!

Capon Bridge Elementary: Scarlett Spedden – Scarlett is a hard-working little girl. She has already mastered her letter recognition and all but one of her letter sounds which is the end of the year goal! She always tries her best. She has also been quick to befriend classmates. I have seen her welcome new students and make them feel at home in the classroom. I am proud of what she has accomplished already and can't wait to see how she blossoms throughout the year. **Natalie Charlton** – Capon Bridge Elementary School stresses the importance of the three R's: **Respect, Responsibility, and being Ready** to learn. Natalie exemplifies all three of these qualities. It is quite easy to notice her kindness, willingness to work hard, and her daily practice of treating others nicely. Being polite is just part of who she is and how she treats others. She consistently puts the best interest of others ahead of her own and offers a helping hand to any student or teacher in need. She is patient with her classmates and sets a positive example for others to follow. She is a pleasure to have in class, always eager to engage in class lessons and activities, giving 100% effort in all her studies.

Romney Elementary: Charlotte Baldwin – Charlotte is a very polite and kind student. She works hard and does the job well. Charlotte shows respect to her teachers and classmates. She comes prepared each day with a smile on her face and ready to learn!

Slanesville Elementary: Trinity Conard – Trinity is always working hard on her schoolwork and always willing to help her teachers and classmates. She cares deeply about doing the right thing, and it shows every day in her actions.

Springfield-Green Spring Elementary: Tanner Smith – Tanner is a wonderful student! He is always kind to his fellow students. He always wants to volunteer in class and will go above and beyond to help around the classroom. Tanner is a hard-working student. He does extremely well in Reading and Math and wants to participate in any subject we are doing.

Capon Bridge Middle: 6th Grade – Kaitlyn Cates – Kaitlyn is the perfect representation of the CAKE award. She can always be found excelling and doing exactly what needs to be done. Kaitlyn is a helpful student leader and is someone who is always there to lend a hand. The Bobcat family is lucky to have students like Kaitlyn. **7th Grade – Donald (Donnie) Sechrist, IV – Donnie** always completes his work and never causes disruptions. He uses his time wisely and is kind to others. **8th Grade – Dorothy Blau – Dorothy** exemplifies the CBMS mission to be kind, work hard and learn!

Romney Middle: 6th Grade - Kason Sharpley – Kason is a hard worker. He completes his assignments without grumbling, is an active participant in class discussions, exhibits good behavior, and is always willing to help others. **7th Grade – Madison Didawick – Madison** is always prepared for class and ready to work. She shows leadership in the classroom by helping others and being the first to reach out and befriend new students. She is a member of the Student Council and gives the morning announcements every Monday. Madison shows up to school every day with a contagious smile and a positive, can do attitude. **8th Grade – Dakota Matthews – Dakota** is a very hard-working

student who is always willing to pitch in and help. He helps his teachers after class, without being asked, and helps his classmates. Dakota is kind and respectful to his teachers and classmates. Dakota also is participating in class more and becoming more vocal and volunteering to answer questions in class.

Hampshire High: 9th Grade – Kade Suddath – Kade is a wonderful young man. He is very involved in FFA and the ag department. Even though he is a freshman, everyone can tell he is going to be a great leader at HHS. He volunteers a lot around school, even going to a WVU football game to work concessions to benefit FFA this year. He is also musically gifted. **10th Grade – Alaina Kesner – Alaina** is a very intelligent young lady. She always has a smile. She looks out for others and tries to help them behave and be more successful. In her classes, she tries to help those who struggle or who are failing so they can pass their classes. She's a bright spot at HHS. **11th Grade – Ashton Arbogast – Ashton** helps out when the school needs it. One day, we were short on custodians. He helped clean up the cafeteria and then mopped both main hallways without being asked. He is quiet and kind. **12th Grade – Daniella Knight – Daniella** is an athlete and a good student. She is an office worker during the day and always takes on projects when asked to. She is quick to help and doesn't complain. She is appreciated by the office staff.
