

Our theme for this year is the **Power of Yet**

We want each child to know that they can do anything, even if they can't do it YET! We realize **that some things are worth waiting for, and those things take work.** It's not always easy, but the power of this small word allows for success

Family Engagement

Title I is committed to supporting our home-school community. Our focus is the *success* of each child, and we know that behind every successful child is a supportive family. We want you to be engaged in your child's learning.

Communication

Slanesville Elementary School is committed to consistent two-way communication with families about their children's learning. Some of the ways parents and teachers communicate all year are:

- Schoology or See Saw
- Daily folders/Planners
- Notes or phone calls to "check-in"
- Apps such as: Remind or Class Dojo

Do you have questions about your child's progress? Contact your child's teacher by phone at (304) 496-7069, message them on Remind, or send an email.

What is a Family-School Agreement?

A Family-School Agreement is an agreement that parents, students and teachers develop together. It explains how families and teachers will work together to make sure all our students reach grade-level standards. It is a work in progress.

This agreement is focused on student learning, and connects to our School Improvement Plan. Please find our **current curriculum** here:

<https://wvde.us/tree/>

Jointly Developed

Our Family-School Agreement is revised based on discussions at our Local School Improvement Council, Family Advisory Committee, School Leadership Team, and Faculty Senate meetings.

We encourage you to be a part of this process!

Building Partnerships

If you would like to volunteer, participate, and/or observe in a classroom, please let us know!

Directions for how to become a volunteer can be found here:

Our for Student Success

District

1. Attendance rate at 95% or more
2. Progress towards Mastery in Reading and Math

School

Our Primary Goal:

Our students will make one year's growth or more in Reading and Math

What are we doing to achieve that?

- ❖ Provide quality curriculum and instruction.
- ❖ Have an ongoing discussion with you about your child's progress.
- ❖ Make healthy choices at school.
- ❖ Help students set and achieve goals.
- ❖ Invite you to help us plan.
- ❖ Provide information about Title I.
- ❖ Send home state test results .
- ❖ Let you know if your child's teacher is Highly Qualified .

Families

What do we ask of our families?

Your children need families who are involved and paying attention to their education.

- Check communication often.
- Read with your child every day and discuss the facts and events .
- Make healthy choices for your family.
- Play games involving math and point out math in the world around you.
- Stay involved in your child's education.
- Take care of school equipment.
- Talk to your child about how they are doing on all fronts: academically, mentally, socially, emotionally, and physically.

Students

What do we ask of our students?

Slanesville School students take responsibility for their own learning. We believe in our students, and we know they can succeed!

- Make healthy choices.
- Stay tuned-in to the classroom.
- Do the work expected of you.
- Keep a good attitude because you are still growing so you might not be where you want to be YET!
- Read with someone every day.
- Follow classroom expectations.
- Practice spelling and writing new words in stories and paragraphs.
- Do projects at home that use numbers and math skills.
