

Dear Parent/Guardian:

Romney Elementary School is pleased to announce that it is a School Wide Title I School. Title I is a federally funded program which gives kids extra help in reading and math. This means that all students at Romney Elementary benefit from Title I funds and/or services.

Here are some of the services Title I provides for our school.

- Free books for our students at Back-to-School Night, Winter Break, and at our Title I Spaghetti Dinner
- Parent Involvement Sessions with research based strategies presented to teach parents how to help their children at home
- Collaboration with classroom teachers in reading and math
- Parents are given vouchers for Romney Elementary's Scholastic Book Fair to purchase books for their children
- Books and money for the school library and books which go with the Accelerated Reader program
- Small group reading instruction
- Additional instruction provided through intervention
- PSPs – Professional Support Personnel
- PINC – Parent Involvement Network Coordinator – helps to encourage volunteers in our school
- Three Reading Specialists: Stephanie Corbin, Marlene Eversole, and Nicole Pownell who have the opportunity to work with your children at our school.
